Carol Mattson Porth : Essentials of Pathophysiology: Concepts of Altered Health States [With CDROM and Liveadvise Pathophysiology Online Tutoring] before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials of Pathophysiology: Concepts of Altered Health States [With CDROM and Liveadvise Pathophysiology Online Tutoring]:

2 of 2 people found the following review helpful. Don't waste your timeBy A. K.The online components of this book are also bad. Not enough study questions. Does not summarize information well at the end of each chapter. A waste.

Book by Porth, Carol Mattson
