Stephen E. DiCarlo, Eilynn Sipe, J. Paul Layshock, Rebecca L. Rosian : Experiments and Demonstrations in Physiology before purchasing it in order to gauge whether or not it would be worth my time, and all praised Experiments and Demonstrations in Physiology:

Experiments and Demonstrations in Physiology is designed to help readers understand the relationship between physiology and their personal lives. This laboratory-based book allows readers to experience a variety of topics within the field of physiology and to develop essential skills used by scientists when conducting investigations.
