**Faye Brown : Faye Brown's Icd-9-Cm-Coding Handbook Without Answers: 2002** before purchasing it in order to gage whether or not it would be worth my time, and all praised Faye Brown's Icd-9-Cm-Coding Handbook Without Answers: 2002:

Annual handbook produced in cooperation with the Central Office on ICD-9-CM of the American Hospital Association. Features numerous coding exercises based on case examples, revised codes and skills, practical textbook design, and material developed by the AHA's Central Office on ICD-9-CM during the past year. Softcover, handbook with answers also available.
