Kathleen Park Talaro : Foundations in Microbiology - Seventh Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Foundations in Microbiology - Seventh Edition:

0 of 0 people found the following review helpful. Five StarsBy CustomerVery good condition!1 of 1 people found the following review helpful. Thank you, shipping and cost are great!By Shauna HornI am a nursing student on a tight budget, thank you for making this book available. It came in the mail so fast I could not believe it. Thanks. I am never selling my copy! The condition is perfect for a used book. I hope that your company does well.0 of 0 people found the following review helpful. Five StarsBy SydneyGreat, thank you!

Shows some signs of wear, and may have some markings on the inside. 100% Money Back Guarantee.
