Barry Mitchell BSc MSc PhD FIBMS FIBiol, Sandra Peel BSc PhD DSc : Histology: An Illustrated Colour Text, 1e before purchasing it in order to gauge whether or not it would be worth my time, and all praised Histology: An Illustrated Colour Text, 1e:

From the author of the hugely popular Embryology: An Illustrated Text! A concise text, packed with high-quality illustrations, focusing on essential features - if you're on a course where basic sciences emphasise the principle points of relevance to you, this is the perfect book for you. Volume in Illustrated Colour Text series. Same first author as

Embryology volume. Clinically relevant overview ideal for medical and other health science students. Extensively illustrated with both colour photomicrographs and line drawings.
