**Douglas Paulsen : Histology and Cell Biology Review Flash Cards (LANGE FlashCards)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Histology and Cell Biology Review Flash Cards (LANGE FlashCards):

0 of 0 people found the following review helpful. Don't buy!By Father of TwoThe worst set of histology cards, histology or cell Biology primarily means slides, the ones we are accustomed to seeing on the boards, this is anything

but that, a run of the mill typed query and bullet point jibes on cheap paper. regret purchasing this product.0 of 0 people found the following review helpful. Excellent.By LouisThank you today I received them! Excellent.0 of 0 people found the following review helpful. Five StarsBy beetsmeI loved these. Used for my microbiology class!

A fun, fast, portable way to review histology and cell biology 248 QA cards great for board review, course work, and the USMLE "The flash cards are user-friendly and fun to read....Once you begin to review these excellent questions and answers, you are hooked on learning....This is a great educational resource for students of medicine and the life sciences. 3 Stars."--Doody's Review Service LANGE Flash Cards Histology and Cell Biology Review Flash Cards are a quick, concise, and effective way to review the essential concepts and methods of cell biology.
