Catharine C. Whiting : Human Anatomy Physiology Laboratory Manual: Making Connections, Cat Version Plus MasteringAP with eText -- Access Card Package before purchasing it in order to gage whether or not it would be worth my time, and all praised Human Anatomy Physiology Laboratory Manual: Making Connections, Cat Version Plus MasteringAP with eText -- Access Card Package:

0 of 0 people found the following review helpful. Good bookBy Kristin SchmidtBooks I great condition. Was under the impression it come with the mastering a and p code1 of 1 people found the following review helpful.

****WARNING-DO NOT BUY THIS BOOK ONLINE-ACCESS CODE FOR ONLINE CONTENT NO GOOD**

UNLESS PURCHASED FROM SCHOOL STORE***By MichaelThis book requires an code to let the student access

content online via the professor. If you do not buy this book from the University Bookstore, the code will not work. So buying this book here or anywhere else online is a BIG waste of money. Learn from my mistake and do not buy this book anywhere else other than your university bookstore.

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, and registrations are not transferable. To register for and use Pearson's MyLab Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab Mastering products may not be included, may be incorrect, or may have been previously redeemed. Check with the seller before completing your purchase. Developed as the companion lab manual to Amermans Human Anatomy Physiology, Catharine Whiting's lab manual takes an active learning approach that uses a rich variety of hands-on activities, along with guided questions, to engage students and help them apply concepts learned in lecture to lab. The active learning approach to Whiting's Human Anatomy Physiology Laboratory Manual: Making Connections includes unique hands-on activities that use different learning modes including labeling, sketching, touching, dissecting, observing, conducting experiments, interacting with groups, and making predictions. Whiting also includes pre-lab assignments to help students better prepare for lab; and post-lab assignments to solidify learning and challenge students to see interrelationships of concepts across topics. MasteringAP for Whiting includes autogradable pre-lab and post-lab assessments, drag-and-drop activities, coaching activities for Bone and Animal Dissection videos, PAL 3.0, PhysioEx 9.1, AP Flix 3D muscle animations, Clinical Scenarios, and more. Personalize Learning with MasteringAP MasteringAP is an online homework, tutorial, and assessment system proven to help students learn. It helps instructors maximize lab time with customizable, easy-to-assign, automatically graded assessments that motivate students to learn outside of class and to arrive prepared for lab. The powerful gradebook provides unique insight into student and class performance. 0321787013 / 9780321787019 Human Anatomy Physiology Laboratory Manual: Making Connections, Cat Version Plus MasteringAP with eText -- Access Card Package, 1/e Package consists of: o 0321787005 / 9780321787002 Human Anatomy Physiology Laboratory Manual: Making Connections, Cat Version, 1/e o 0134089936 / 9780134089935 MasteringAP with Pearson eText -- Standalone Access Card -- for Human Anatomy Physiology Laboratory Manuals: Making Connections, 1/e

About the Author Catharine C. Whiting, University of North Georgia Cathy Whiting began her college career at Waycross Junior College before transferring to the University of Georgia and earning a B.S. in biology. She earned both an M.S.T. and a Ph.D. at the University of Florida, training under an extraordinary mentor, Dr. Louis J. Guillette, a brilliant researcher, author, and educator who taught her how to do science and, more importantly, how to teach. With 20 years of college teaching experience, Whiting seeks to engage her students through active learning in order to facilitate the development of critical-thinking and problem-solving skills. She has discovered that passionate teaching leads to passionate learning. The recipient of several teaching awards including Faculty Member of the Year, Advisor of the Year, and Master Teacher, she considers her greatest reward to be the privilege of teaching and impacting the lives of students.
