**From Oxford University Press, USA : Human Virology 4th (fourth) Edition by Collier, Leslie, Oxford, John, Kellam, Paul [2011]** before purchasing it in order to gage whether or not it would be worth my time, and all praised Human Virology 4th (fourth) Edition by Collier, Leslie, Oxford, John, Kellam, Paul [2011]:

10 of 10 people found the following review helpful. Best book available for intro virologyBy JoeTAs a virology student, this is the first place I go to when reviewing any viral disease. It gets to the point and gives you all the necessary information you need on viruses. For all the common viruses, this book has no equal. Other books do go into more detail, but nothing comes close to Collier to giving you the basic knowledge you need.0 of 0 people found the following review helpful. Five StarsBy ELVIRA RODIONOVAVERY GOOD !!!0 of 1 people found the following review helpful. Four StarsBy T. albazAll basic information you need about human virology ..
