Lorraine M. Papazian-Boyce MS : ICD-10-CM/PCS Coding: A Map for Success Plus NEW MyHealthProfessionsLab with Pearson eText -- Access Card Package (MyHealthProfessionsLab Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised ICD-10-CM/PCS Coding: A Map for Success Plus NEW MyHealthProfessionsLab with Pearson eText -- Access Card Package (MyHealthProfessionsLab Series):

1 of 1 people found the following review helpful. Easy to follow transition from ICD-9-CM to ICD-10- CMBy

kphsilverI am currently using this textbook for my ICD-10-CM coding class. The book has simple terms and hi-lights key words in each paragraphs which makes studying easier.0 of 0 people found the following review helpful. Poor textbookBy GKThis is an incomplete text for learning ICD-10-CM/PCS. The text has more errors than any book I have ever taught with or used as a student. There are major topics that are commonly coded diseases that are never mentioned in a number of chapters.

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Featuring a four-color presentation and student-centered approach, this medical coding book references ICD-10-CM/ICD-10-PCS codes and offers a new approach to teaching this skill. ICD-10-CM/PCS CODING: A ROAD MAP is flexible in organizationappropriate for traditional, modular, linear, and wheel coursesand progressive in its numerous exercises of varying levels. Chapters are constructed around three basic coding skills (abstracting, assigning, and sequencing codes) so students get a strong foundation in these essential competencies. Guided examples teach the coding process, while mini-medical records help students learn how to identify and abstract pertinent information from medical documentation. 0133141330 / 9780133141337 ICD-10-CM/PCS Coding: A Map for Success Plus NEWMyHealthProfessionsLab with Pearson eText Package consists of: 0132860368 / 9780132860369 ICD-10-CM/PCS Coding: A Map for 013286052X / 9780132860529 NEW MyHealthProfessionsLab with Pearson eText -- Access Card -- for ICD-10-CM/PCS Coding: A Map for Success
