3 of 3 people found the following review helpful. Completely SatisfiedBy Medical Coding StudentMy school requires this book and this is why I bought it. It is a good book but the ICD-9-CM book by Carol Buck is the best one to buy if you have a choice.Listed "As New Condition" and it was received that way in 8 days. I am totally satisfied.0 of 0 people found the following review helpful. Very good for what I neededBy ekjack23The book was in great condition. I needed the book for my class and it was very helpful once I received it. I recommended my friend to order one from
