John D. Grabenstein : Immunofacts Bound 2004 (Facts and Comparisons) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Immunofacts Bound 2004 (Facts and Comparisons):

ImmunoFacts provides concise information on the most frequently used vaccines and immunologics. ImmunoFacts helps you make informed decisions about dosage, administration, storage, formulary admission, and purchasing of vaccines and immunologic drugs. This is an essential resource for anyone who prescribes, administers, or dispenses

immunologic agents, or who monitors patients receiving vaccines
