Gerard J. Tortora, Bryan H. Derrickson : Introduction to the Human Body before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to the Human Body:

3 of 3 people found the following review helpful. Great bookBy Mizz IndependentExcellent condition. Everything that was described was in the box.0 of 0 people found the following review helpful. Book is falling apart at the spine and in awful ...By BriannaBook is falling apart at the spine and in awful condition. Don't know how I'll be able to get through a semester with it in this condition1 of 1 people found the following review helpful. GoodBy youthgonewild413Had to get this for a class and it was what i needed. Affordable and easy to use. Good book

Like its predecessors, the new 9th edition of Introduction to the Human Body offers a balanced introduction to the human body especially developed to meet the needs of the one semester course. It provides an effective blend of stunning art and clearly written text to illuminate the complexities of the human body. Class-tested pedagogy and

figures are woven into the narrative to ensure that students gain a solid understanding of the material.
