Anthony Mescher : Junqueira's Basic Histology: Text and Atlas, Thirteenth Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Junqueira's Basic Histology: Text and Atlas, Thirteenth Edition:

The histology text the medical field turns to first -- authoritative, concise, beautifully illustrated, and completely up-to-date More than 600 full-color illustrations For more than three decades, Junqueira's Basic Histology has been unmatched in its ability to explain the relationship between cell and tissue structure with their function in the human body. Updated to reflect the latest research in the field and enhanced with more than 600 full-color illustrations, the thirteenth edition of Junqueira's represents the most comprehensive and modern approach to understanding medical

histology available anywhere.
