Catherine Paradiso RN CCRN MSN : Lippincott's Review Series: Fluids and Electrolytes (Book with CD-ROM for Windows 95) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lippincott's Review Series: Fluids and Electrolytes (Book with CD-ROM for Windows 95):

1 of 1 people found the following review helpful. Great OutlinesBy SolarJoyIf you need something to remind you of what you learned, this is a great study tool. It outlines the need-to-know information.

This book is designed to prepare students for classes or NCLEX by providing a comprehensive outline review of this particularly difficult area of study. Fluids and Electrolytes offers extensive self-testing that includes answer keys with rationale for correct and incorrect responses, as well as a comprehensive outline review and chapter study questions and a comprehensive examination at the end of the book. Each question is categorized according to the components of the National Council of State Boards of Nursing Licensing Examinations (NCLEX). Includes FREE disk containing more NCLEX questions.
