Hargrove-Huttel : Lippincott's Review Series, Medical-Surgical Nursing (Book with CD-ROM) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lippincott's Review Series, Medical-Surgical Nursing (Book with CD-ROM):

1 of 1 people found the following review helpful. NursingBy Megan M. KermueThe chapter reviews are great and so

are the questions at the end of the chapter. I am studying for my ANCC exam, so I will have to see how well this book prepared me for it. 0 of 1 people found the following review helpful. Easy read. By Yakima Girl It is very helpful in conjunction with my required textbook. Small enough to carry anywhere for study on the go. 0 of 0 people found the following review helpful. great book!! By rosiecheeks! i bought this book last year and i haven't reviewed it, but I LOVEEE it! this book helped me learn how to read questions and gave me questions with the chapters i was reading for school! it's a great book to help review for exams! the questions aren't exactly the same, but it's within the parameters of what is to be expected!

This thoroughly-updated volume of Lippincott's Review Series provides a complete review of medical-surgical nursing. Each chapter concludes with study questions and rationale for the correct and incorrect answers. A 100-question comprehensive examination helps students evaluate their knowledge. All questions are coded according to NCLEX components to direct readers to areas that require additional study. The Third Edition Features : a CD-ROM with 200 NCLEX-style questions for additional study; a consistent format that incorporates a nursing process overview, client and family teaching boxes; and medication tables. Each chapter offers two line figures, tables and displays
