Gerard J. Tortora, Berdell R. Funke, Christine L. Case : MasteringMicrobiology with Pearson EText - ValuePack Access Card - for Microbiology: An Introduction (ME Component) before purchasing it in order to gage whether or not it would be worth my time, and all praised MasteringMicrobiology with Pearson EText - ValuePack Access Card - for Microbiology: An Introduction (ME Component):

1 of 1 people found the following review helpful. It works!By jenny BejaranoI was a little weary purchasing this product through . Many of my classmates purchased the access card through other sources and ended up with a fake

card and Had to spend more money through the Pearson website buying it again This Access card works! Super happy and it arrived two days prior to the estimated arrival date. Not to mention it was very inexpensive...1 of 1 people found the following review helpful. Apparently there was a modified version. I got the ...By CustomerApparently there was a modified version. I got the wrong one therefore deeming it invalid. By that time I had already opened the package...3 of 3 people found the following review helpful. great!By shellyBrand new as promised. Exactly what I needed and its way cheaper than paying 60 dollars on the Pearson website and that's without etext. In this I get etext included
