W. Irving, S. Myint : MCQs in Medical Virology: A Study Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised MCQs in Medical Virology: A Study Guide:

With the emergence of infectious diseases such as AIDS, virology is an expanding component of medical education. The questions in this book are graded by difficulty and progress from undergraduate up to postgraduate level. Detailed answers discuss the topic, providing a revision and tutor on all aspects of human viruses and the diseases they cause. This book should be of interest to medical undergraduates; postgraduates in medical microbiology and virology; MRCP candidates.
