I only say that because we had to read many many chapters for each exam for class... I used my study notes and lecture notes and the book to clarify any of my questions about the material! A def must in order to pass a class successfully!0 of 0 people found the following review helpful. RNBy Tattiana OsornioI needed this book for my Med Surg class. I love it, very detailed and informative. If your in nursing school, this is a must have!1 of 1 people found the following review helpful. care free serviceBy Cassandra Guerreromy book arrived on time and was in great condition to be used. It was simple and care-free. I would recommend this to any student
