ISBN: 0072995289 ISBN-13: 9780072995282 Overview "Making Connections" Microbiology: A Systems Approach is a non-majors/allied health microbiology textbook that has become known for its unique organization, engaging writing style, and instructional art program. Cowan's "building blocks" approach establishes the big picture first and then gradually layers concepts onto this foundation. This logical structure helps students acquire knowledge while connecting important concepts.
