#901681 in Books 2008 Original language: English PDF # 1 10.80 x 1.30 x 8.20l, 2.60 Binding: Perfect Paperback 568 pages | File size: 61.Mb

Isaiah Amiel Benathen : Microbiology with Health Care Applications before purchasing it in order to gauge whether or not it would be worth my time, and all praised Microbiology with Health Care Applications:

2 of 2 people found the following review helpful. Not complete book By Chalese Adams This book has pages in the back that can be torn out for lab exercises. When I bought this book I expected it to have all the pages needed in it because it didn't specify otherwise. I did not get what I expected out of this purchase and am not satisfied with the integrity of the seller. 1 of 1 people found the following review helpful. Do not rent this book like new with no exercises means nothing. By Studentlikeu Like was said.. I went to photocopy the exercises for class. There are no exercises in the back and I needed those.. If anyone found those online please send the link.. thanks 0 of 0 people found the following review helpful. Pointless and useless to me By Heather Moore Was missing all of the lab exercises I need for class. Pointless and useless to me.
