**From Brand: CRC Press : Migraine and Other Headache Disorders (Neurological Disease and Therapy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Migraine and Other Headache Disorders (Neurological Disease and Therapy):

Following recent guidelines set by the International Classification of Headache Disorders, this reference presents the most current diagnostic and treatment protocols for migraine and other headache conditions. Chapters are authored by internationally renowned headache clinicians and scientists, including several past presidents of the American Headache Society and the International Headache Society. User-friendly and up-to-date, this reference offers useful tables, algorithms, and diagrams that lead clinicians to effective treatments for the management of migraine and the reduction of migraine severity.
