From Oxford University Press (2003-04-01) : Natural-Born Cyborgs: Minds, Technologies, and the Future of Human Intelligence by Clark, Andy published by Oxford University Press Inc (2003) before purchasing it in order to gage whether or not it would be worth my time, and all praised Natural-Born Cyborgs: Minds, Technologies, and the Future of Human Intelligence by Clark, Andy published by Oxford University Press Inc (2003):

0 of 0 people found the following review helpful. Great seller, interesting argumentBy CustomerBook came on time, or possibly even a bit early. This was really an interesting read. I can say it did make me think about things I have not thought about before, and still impacts how I look at some things. Sometimes, it is a little trippy and possibly too far, but that is my own opinion

Will be shipped from US. Used books may not include companion materials, may have some shelf wear, may contain highlighting/notes, may not include CDs or access codes. 100% money back guarantee.
