Ralph Reitan, Deborah Wolfson : Neuroanatomy and Neuropathology: A Clinical Guide for Neuropsychologists before purchasing it in order to gage whether or not it would be worth my time, and all praised Neuroanatomy and Neuropathology: A Clinical Guide for Neuropsychologists:

0 of 0 people found the following review helpful. A must have for any Neuropsychologist's library!By NatashaR.The standard for all books of this type. The illustrations are magnificent. No Neuropsychologist should practice without this reference.

Great book for neuropsychologists or medical students. Very helpful illustrations
